Herding Cats, Knitting Fog, and Nailing Pudding to the Wall
Social media is:

“Forms of electronic communication ([such] as Web sites for social networking and microblogging) through which users create online communities to share information, ideas, personal messages, and other content ([such] as videos).”

--Merriam-Webster

Library literature focuses on why & how we should use social media for:

- communicating with existing patrons
- attracting new audiences
- brand exposure
- driving traffic to the library’s Web site
- promoting resources
- advocacy for library budgets
- facilitating collaborative learning strategies
- professional development
Exceptions to Every Rule

- Harry Glazer. “‘Likes’ are lovely, but do they lead to more logins?” *College & Research Libraries News* Vol. 73 Issue 1, January 2012. pp. 18-21.
