

# Be You Clinic

## LGBTQ healthcare

The Community Health Centers of Burlington has created a specialty clinic to better serve the LGBTQ community!

Thursday afternoons, this clinic will be staffed with a LGBTQ-knowledgeable provider, nurse, and social worker.

### Services include:

- Primary care for LGBTQ individuals, partners, and families
- STI screening and treatment
- Sexual health education
- Gender-affirming care, including hormonal and surgical transition
- Behavioral health and psychiatric health referrals
