As we discussed in your visit today, someone will be contacting you from the Community Health Team (CHT) to schedule an appointment with you. The CHT is a free resource to our patients and there is no charge or co-pay associated with your upcoming CHT appointment. The CHT referral you received is an extension of the care you received today from your provider, and aims to further address your health concerns with a specialist in detail. If you do not hear from the CHT within a week please call the Community Health Team at 847-1601.
